

PUBLIC NOTICE  
STATE OF ALASKA – DEPARTMENT OF ENVIRONMENTAL CONSERVATION  
CITY OF KODIAK – COMPOSTING FACILITY

The Alaska Department of Environmental Conservation (ADEC) has determined that the permit application, submitted by the City of Kodiak for construction and operation of a solid waste treatment facility for composting sewage sludge in Kodiak, Alaska, is complete. ADEC is proposing to issue Solid Waste Permit #SWXA060-20 to the City of Kodiak for the Treatment of Solid Waste.

APPLICANT INFORMATION:

Owner: City of Kodiak, 2410 Mill Bay Rd. Kodiak, AK 96615

Operator: Quayana Development Corporation

PROJECT DESCRIPTION:

Location: The proposed treatment facility will be located approximately 6 miles northwest of the City of Kodiak, adjacent to the Kodiak Island Borough Landfill, within Section 30, of Township 27 South, Range 19 West, Seward Meridian in Kodiak, Alaska.

The applicant proposes operating a sewage sludge composting facility, which will be used for treatment of sewage sludge from the City of Kodiak Waste Water Treatment Plant and other potential sources. The sludge will be combined with a bulking agent and composted to reduce pathogens and vector attraction to Class A standards. The finished compost will be used and marketed as a soil amendment.

ADDITIONAL INFORMATION:

For a copy of the permit application, please go to [dec.alaska.gov/eh/sw](http://dec.alaska.gov/eh/sw), or for more information regarding the Solid Waste Permit requirements or application, please contact Lori Aldrich at (907) 269-7622 or by email at [lori.aldrich@alaska.gov](mailto:lori.aldrich@alaska.gov).

OPPORTUNITY FOR PUBLIC PARTICIPATION:

ADEC is seeking comment regarding the proposed project only. Notice is given that any person interested may present written comments relevant to the proposed Permit to ADEC. Written comments will be included in the record if received before 5:00 p.m. on January 20, 2015. Submit written comments regarding the project to:
